## MEMORANDUM

**TO:** Town Manager  
**FROM:** Chief of Police  
**DATE:** December 11, 2019  
**RE:** Request to accept donation from Crimeline for the Hamptons

The Crimeline for the Hamptons, Inc. has donated \$4,575.00 for the purchase of three (3) new Tasers with associated holsters and warranties. While we have established a capital equipment fund for the ongoing replacement of essential equipment at the end of its useful life we have some pieces of equipment that will need replacement in the short term in order to allow us to reach our long term purchasing goals. This donation request was made prior to the allocation of D'Aelssandro funds for the purchase of additional Tasers. Further research showed that we had several units in need of replacement and the combination of funding sources provided an opportunity for us to do so. Less-lethal force options such as the Taser provide officers with additional opportunities to safely resolve issues without injury to suspects or officers. I request that the Town accept this donation for the specified equipment.

Respectfully submitted,

A handwritten signature in black ink, appearing to be "B. Walker", with the number "700" written to the right of the signature.
