

Memo

To: Chairman Khan, Selectwoman Kyle, Selectwoman Brown

From: Town Manager

January 16, 2020

Historic Society Request

I have today met with Mr. Bruce Brown, who has transmitted a request to the Board for \$150,000 for additional historical renovation to the Old South Meeting House, made on behalf of the Historic Society. His request is for the Board to allocate that funding out of the additional state aid received. I am preparing a state aid sheet for Monday that will show total amounts received, and proposed expenditures.
