- Full-time Dispatcher Amanda Eaton started in September and is doing a great job and should be ready to go by spring 2020. With the appointment of the Chief we have three vacancies for full-time patrol officers which will be filled in the near future.

Seabrook officers continue to participate in numerous drug and opioid reduction initiatives to combat the sale and distribution of illegal drugs in Seabrook and surrounding areas.

Drug Overdose Statistics are as follows:

2019 YTD OVERDOSES - 44
2019 YTD OVERDOSE DEATHS - 10

We continue to use our social media accounts on Facebook, Twitter, and Instagram as means of communicating with the public. This has proved to be an effective means of providing information to and interacting with the public. The Seabrookpd.com website had a Twitter feed at the bottom for people who do not utilize social media.

Seabrook Police staff members continue to provide the community with a high level of service despite being short-staffed and with ever-increasing demands being placed on public safety. We finished 2019 with 14,805 calls for service.

Respectfully submitted,

Brett Walker
Chief of Police
