Hello,

Please find attached my report for the BOS meeting for March 2, 2020.

I will have a hard copy of the new brochure at the meeting for the Selectmen, you and the Town Manager. Unless you need it digitally prior.

Also, I am working with Brian to have use of the projector to show the new brochure and how it links to our MyRec website.

I have asked JC and Kayla (Lowe's Store Managers) to attend with a Lowe's banner for a photo op. They are the first in my report.

Also, I will then introduce Cassandra and Stephanie so they can walk the Selectmen through the new brochure as they are the ones who created it. They have been working on it since November! They deserve the face time!

March 2, 2020

I would like to introduce the General Manager of Lowe's here in Seabrook, JC Conrow along with the Assistant Store Manager Kayla Souliotis. Lowe's was integral in fulfilling the vision of the new and improved game room by donating approximately \$2,500 worth of furnishings. Items donated include 2 kitchen counters, 6 cabinets, 5 cans of paint, 5 LED strip lights, 3 curtains, 4 metal chairs and 1 area rug. These ideas were derived from the kids and the part-time staff. Cassandra Carter took these ideas and formed a vision. She worked directly with the Lowe's staff to bring it to fruition. This new partnership has allowed us the opportunity to attract and engage our youth with inviting decor and exciting entertainment. Thank you JC and Kayla it would not have been possible without the support of Lowe's. I would also like to thank you for believing in and being a part of our community.

This afternoon at 330 we will re-open our new and improved game room. We were heavily supported with help from John Starkey, Kelli Hueber, Asa Knowles and Bruce Felch from the DPW. Tuesday Asa and Bruce used a forklift to get a 500lb. piece of equipment off a truck and helped put it in our game room. Mitch Bragg did prep work, installation and building. Peter Moura helped Mitch build. Brian Murphy helped with media and set up of equipment. Stephanie McDonald and Jo-Anne Page helped with bringing the hype on social media and of course Cassandra Carter. Since November 2019 Program Director Cassandra Carter and Clerk Stephanie McDonald have been re-creating a new Program Brochure. Cassandra and Stephanie will walk you through it.

We would like to thank Jasmines Roast Beef and Seafood who has donated 5-7 pizzas every Thursday since the beginning of the year. The kids absolutely enjoy it and the kids are super grateful.

We had our in-house basketball championships February 14th.

Winners included:

2nd-3rd grade-Bulls

4th-5th grade-Sixers

6th-8th grade-Jazz

Thank you to all of the volunteers and coaches, it would not be possible without them. I would also like to recognize and thank Patrick Collins for his work during this extremely long season.

Our Annual Basketball Tournament will be held March 13th-29th. We will welcome approximately 45 teams to our Tournament. This is all hands on deck utilizing most of our staff both part-time and full-time. It would not be possible without all the support of our staff.

Donkey Basketball will be held April 3 @ 6pm. Local figures will be riding the donkeys. Money will be raised to help build a pavilion. The cost will be \$10pp, if a family has more than 5 they will get a \$5 discount.

The Easter Egg Hunt and Bunny breakfast will be held April 11th @ 8am.

May 4th will begin Summer Camp registration.

Senior Day will be held May 20th. Elvis will be our entertainment and we will have a "Picnic" theme, starts at 10am.
