Re: Donation of Granite Bench for Town Hall

Hello Mr. Manzi,

I'm writing to the Board of Selectmen today hoping they will accept a donation of a four foot granite bench and plaque to the Town of Seabrook, we hoped it would enjoy a good home near the flagstaff at Town Hall. We really believe this will improve the look and feel of the Town Hall grounds. If this is acceptable we will work out the specific area with Mr. Manzi and notify him as to when we will install the bench.

If there are any questions please do not hesitate to contact me at EdwardsSurveyDesign@gmail.com or 603-235-0899.

Respectfully,

A handwritten signature in black ink, appearing to read 'W. Edwards'.
