This report provides insight on your energy use along with practical tips to help you save energy and money. Find more information about our energy-saving programs at:

► unitil.com/HomeEnergyReports

This special winter report is here to help you stay warm and save.

Here's how you compare to neighbors

Sep 18, 2020 - Oct 15, 2020

This is based on 100 similar homes an average of 1 mi from you. Efficient neighbors are the most efficient 20% of this group. See back for details.

You're using more than your neighbors.

97% more electricity than average neighbors

Avoid high winter bills

Insulate to save energy all year long.

Insulation is less like a warm blanket and more like the casing of a thermos—it can keep you warmer in the winter and cooler in the summer.
