Maria,

Both the answer to your question, and the zoom meeting arrangements, must wait until the afternoon of February 8. I apologize for using the word "shortly" when I should more accurately have said "within one week."

Regards,

-Brian

That is so good. Thank you it is such an important night for all. I will share the link as soon as you pass it along. Will the event still be live on channel 22 or will it be recorded for replay. Thanks again

Maria, et al.,

We are able, and happy, to host and broadcast candidates night via Zoom, much like we do for selectmen and planning board meetings of late. We will have the zoom meeting arranged, and the link send to you shortly.

Hello, Thank you Cheryl for the list of candidates. Ginny called last night and wanted to cancel event if it was in person due to concerns of COVID. Seeing that the Selectmen are not meeting in the Town Hall at this time we thought it best to do a zoom event. Hello Kelsey and or Brian, Usually the Town covers a live candidate night and records the event. Is it possible for you to set up a zoom meeting for candidate night this year? We could share the link and or phone number to call in to the public. I am sure Ginny, Cheryl, or myself could facilitate the event once it is opened to us. The big question is if that is done can we also record it and have the zoom event live on channel 22 which is what is done for all meetings at this time. Please let me know if this could work and thank you again. Maria Brown

Hello Ladies, After speaking with Virginia Small today she shared concern over candidate night being in person. Given that the Selectmen and School Board are having meetings via zoom we felt it is wise to follow. We have decided that the safest way to go this year will be ZOOM. Virginia will be calling into the meeting so she can run it as she has always done although new to her she is willing to give it a shot. We will have a practice zoom meeting ahead of time. Elections are so important and giving the candidates time to speak and educate the public is a must. Please forward a complete list of both school and town candidates as soon as possible. The date will be February 22, 2021, 6:00PM via zoom. The link to zoom will be shared through social media and channel 22 along with all candidates notified by person. Thank you and please let me know if you have any questions, Maria Brown
