

To the Board Members of Seabrook:

I am a resident of the Madawstone Park on Rt. 286.

I have been a resident there for 6 years now. I spend the winter in Florida.

I moved into Madawstone to be close to the beach. I absolutely love Seabrook, its a quirky little town that is smiling up quite nicely.

I live there for 5 1/2 months.

I live out there; I support the local businesses and stores.

Last year was a walk out for all of us because of the virus.

I am looking forward to

this summer at the beach.

I would hope that this summer you will be issuing the refund to us.

If madawstone we pay taxes on the land even though we don't own it. So I think its only proper that you would give us the token of acknowledgment to your half a year residents.

I hope you all have stayed well and free from the virus. Looking forward to returning in May and end a great summer for all.

Sincerely yours,

Ann Regust

308 State Rt. 286 #96
