Subject: Parking Placards

To: Ellab8501@gmail.com <Ellab8501@gmail.com>

I am writing to ask for your support in reinstating parking placards for seasonal campers at Twin Brooks campground. I have been a seasonal camper, first at the Adams campground and presently at Twin Brooks Campground, for 43 years. My favorite spot on the beach is at Methuen Street. Through these years I have made many great friends who live on Methuen Street and many have graciously offered parking at their home, but all have family and friends that visit so all last year I did not accept their offer. I am alone now that my husband is deceased so when I have opportunity to go to the beach, the experience is much nicer when you know the people around you.

I understand that there are many opinions as to whether summer people should have these Placards. I am very willing to pay a fee or honor any additional rule that is required. Seabrook Beach is the best beach and I am truly hoping that I can again enjoy the summer at Seabrook. Thank you for your time spent reading this e-mail and for all you do in keeping Seabrook a wonderful place to spend the summer. Janice Stecchi Lot #55, Twin Brooks Campground. Cell 978 835 5130
