BOARD OF SELECTMEN
TOWN OF SEABROOK, NH

99 LAYFAYETTE ROAD
P.O BOX 456
SEABROOK NH 03874

To Whom It May Concern:

I, Aileen Zelesky, along with my husband, Vincent Zelesky are seasonal home owners of Lot 35 in Meadowstone Park, here in Seabrook, NH. We have resided here from May to October for the last fourteen years.

What appeals to us most about the property is the proximity to the Seabrook beaches and access to street parking with the residential pass issued yearly. This past, unprecedented year, lead to a temporary hold on receiving these passes and it is concerning to us that there is a chance that we would not be able to get it this year as well.

We pay taxes and feel that we should be able to access the street parking that we have been able to for so many years. It has come to our attention that some concerns are around noise, litter, and dogs on the beaches. We do not have any pets, always pick up after ourselves, and do not make any noise….other than talking a little louder when our hearing aid batteries run low.

We are both 70 years of age and have young grandchildren that visit. Route 286 is not equipped with sidewalks or any safe walking areas to commute to the beach on foot. Throughout all of our years here, we've spent many full days on the beach, not leaving until 6 or 7 pm, and we have never seen any of the residents leaving trash behind. The beaches are typically filled with families renting the beachfront properties, who

have access to the parking passes from the homeowners they rent from.

The beach is such a healing environment. Those who pay taxes (like us seasonal residents) should be granted parking passes to enjoy the beautiful beaches in Seabrook. We love this town just as much as the year round residents and hope we can continue to access the beach freely as we have in years past.

Thank you for your time and consideration of this matter. We are looking forward to another wonderful summer in Seabrook.

SINCERELY,

AILEEN ZELESKY
