RE: INTENT TO CUT, DANIEL SYVINSKI, BATCHELDER RD

RECEIVED

MAY 26 2021

Town of Seabrook
Assessor's Office

Lacey,

Mr. Syvinski would like to get started before the next Selectmen's meeting which is June 7th. Like this weekend or next week. He said he has already put the road in to get to this land (had to cross wetlands) and has done all the required steps for that. (conservation commission, army corps of engineers, hired Henry)

I spoke to Bill and he felt it would be ok. I wanted to get your input on this also.

Also, are there any special requirements you would put onto this tree job?

I will call him after your comments or you can call him if you want to speak directly to him.

Thanks for your help,

Angie

I Spoke to Both Henry Boyd & Tom Morgan in regards to this property. They both stated that @ this point in the project P.B. approval is not necessary. Syvinski will go to the P.B. when ready to expand the property. No site work to be done w/o approvals.
OK to issue intent to cut.
