Org Chart

July 5, 2023

I have attached a first draft of the town org chart. I would note a couple of things:

1. I am still refining, and may present some additional refinements for Monday. These would principally be in DPW and Recreation.
2. I have not submitted a chart for the Library.
3. I have included, in the chart for DPW, a Jonathan Belanger, who is in fact a DPW employee, but who is assigned custodial duties at Recreation. Accordingly you will not see him on the Recreation chart.
