Safety Concerns-Route 1A Ocean Blvd. at Andover Street

October 24, 2023

Dear Mr. Lambert,

The Town of Seabrook has received much citizen concern about this specific portion of Route 1A. We have attached the accident history to this letter and seek some consultation on prospective safety improvements to the roadway that would offer additional protection for homeowners and pedestrians. We have solicited some suggestions from our Chief of Police and hope we can discuss those with you in the near future. Thank you for your attention to this matter.
