Report of The Fire Department

Date: November 6, 2023

To: The Board of Selectmen
and William Manzi, Town Manager

Prepared By: William J Edwards, Fire Chief

Hello,

We wanted to start by thanking the community, our select board and Town Manager for coming to our Touch-a-Truck event last month. It was a great turnout, we had a ton of positive feedback that night and in the days since. We wanted to thank Tostimos for donating 50 pizzas for the event, and also Harmony Nutrition for donating and making their Teas for all that came. The Fire Dept. personnel on hand did demonstrations of equipment and apparatus and ran multiple stations for the kids to check out and try some different things that we do as firefighters. All in all another really good community night.

We wanted to again ask permission of the board to escort Santa through town. We will be setting a date for the night in the coming weeks.

The Seabrook Toy Bank has already sent the applications out to the school. Those applications need to be returned by November 20th. The Stuff the Bus Event will be held on Saturday November 25th and December 9th at the Seabrook Walmart between 9am and 3pm.

On October 18th we conducted the CFE Drill #1 with Emergency Management. We wanted to thank all of the department heads, Town Manager, and Selectmen for attending. The next drill, DFE #2, will be on February 7, 2024.
