
Town of Seabrook

Memorandum

To: Board of Selectmen

From: Town Manager

CC: Kelly O'Connor

Andover Street Next Steps

February 28, 2024

I have submitted a memo from John Starkey with regards to options for the moving and re-anchoring of the Andover Street walkway. I have also exchanged emails with Alyson Eberhardt from UNH on the donation of the plants and the planting. Since the last meeting:

1. Con-Com has donated \$10,000 to this effort.
2. UNH has tentatively agreed to donate the plants, and has offered assistance in the planting effort.

I would suggest that once Board direction is given on the Starkey memo that:

1. John Starkey coordinate with Henry Boyd on calendar, and that the movement of the walkway be scheduled with a hard date.
2. That the volunteer effort be coordinated with UNH and Henry Boyd to arrange for the actual planting, and to determine what level of assistance UNH can offer on the actual planting.
