Service Connection Ties

Address: _____

Please provide a sketch of the service connection with the approximate length. Please indicate the name of the street and a sketch of the house. In addition, please show the approximate distances from any sewer lines on the property.

The sketch shows a vertical line representing a service connection. At the bottom of the line, there are two labels: 'H2O' on the left and 'EBOX' on the right. There are some faint handwritten marks above the line, possibly indicating a house or street location.

Connection to Building

The applicant shall provide proper plumbing of building(s), which shall be in compliance with the International Plumbing Code as well as the Rules and Ordinances of the Town of Seabrook and the State of New Hampshire. Water lines are required to be inspected by the Water Department before backfilling.
