Good afternoon Mr. Manzi and Kelly,

See Judy's mail to me below. Ofc. Houldsworth's grandmother donated \$200 to go to the new K9. Should I request to accept this through the Board?

Also, we have received the new K9, Hunter, and have the invoice. We are compliant with the DOJ for the forfeiture paperwork and are still working with Ollie to make sure the accounts are set up properly. Should we pay now and move the seizure money around to pay for it after it's received or wait until we receive the seizure money? I don't know how much of a headache that shuffle is.

Thank you,
Brett
