## Memorandum

To: Board of Selectmen

From: Town Manager

CC: Kelly O'Connor

Hampton Falls Sewer Request

April 29, 2024

I am receiving renewed correspondence and inquiry over a potential agreement with Hampton Falls on sewer. Town Administrator Karen Anderson has requested an update from me. I have attached the engineering study on this issue that was presented a few months back. I have responded to Hampton Falls by indicating that I would bring this issue back to the Board for instruction.
