RE: Surplus Item: Golf Cart

1. Per discussion in a meeting with the Board of Selectmen, they requested that if the Recreation Department acquires a UTV for our department, the Golf Cart will need to go to surplus.
2. The Golf Cart description is as follows;
 - a. Year; 2006
 - b. Make; Yamaha Motor MFG. CORP.
 - c. Model; G22A
 - d. Power; 8.5 KW
 - e. Dry Weight; 304kg
 - f. Photos;

I do not have the mileage or hours used for the golf cart as it does not provide that information.

Thank You.
