## October (partial)/November/December (partial) Report to Selectmen

- Staff completed training in topics to include “the 3x2’s” (De-escalation, Ethics, and Implicit Bias), firearms classroom and qualifications, defensive tactics, Taser, medical response, weapons laws presented by the US Attorney’s Office and ATF, vehicle processing at Police Standards and Training, the Valor Safer Together Command-Level Forum—Officer Wellness and Safety offered by the International Association of Chiefs of Police, the two week Command Training Series: First Line Supervisor Course at Roger Williams University, human trafficking, and K9 training.
- Officer Dan DiVincenzo started at the PD on Friday December 13<sup>th</sup>. Ofc. DiVincenzo comes to us from the ATF and also has approximately ten years of experience with the Beverly, MA Police Department.
- In November we hosted Coffee with a Cop at the new Starbucks located at 570 Lafayette Road. They are always great hosts for events and we appreciate their continued support in our community events.
- In December Chief’s Secretary Judith Reinhold decorated the Police Department’s tree for the Festival of Trees at the Recreation Department. This is always a great event with lots of unique and creative designs and we appreciate being a part of it.
- Saturday December 14<sup>th</sup> was the 10<sup>th</sup> Annual Seabrook Police Stuff-A-Cruiser. This annual event was originally organized by Detective Keith Diethofer to help members of our community. Det. Diethofer and his family generously volunteer their time each year to make sure that we are able to provide assistance to community members in need.
- We are currently fully staffed for police dispatchers with the recent hiring of Baylee Ingham.
- [We are currently hiring one \(1\) full-time police officer.](#) We currently have 29 of 30 positions filled with the start of Ofc. DiVincenzo.

### Regular activities

- Attended meetings for SERT, the budgetary process for 2025, and addressed numerous administrative items to include exploring better options for some of the tools/software we currently use.
