To: Board of Selectmen

From: Town Manager

CC: Kelly O'Connor

Abatement/Refund Request David Balkus

May 8, 2025

The Board tabled an abatement request as well as a refund request for David Balkus of 88 Washington Street pending a clarification from Curtis Slayton. Curtis reports that the leak spans two quarters, with the resident having paid the first bill. On that basis he recommends the "refund." The second quarter is not paid hence the recommendation is an "abatement." Both are based on the same principle. I will have both on the agenda for May 19.
