Report of The Fire Department

Date: August 18, 2025

To: The Board of Selectmen
and William Manzi, Town Manager

Prepared By: William J Edwards, Fire Chief

Hello,

Since our last meeting one of our Captains, Kevin Janvrin retired from the department. Kevin was a Captain for the last 8 years of his 34 years with Seabrook Fire. We want to wish Kevin the best in his well deserved retirement.

With Kevin's retirement we needed to promote, we selected Jeremy Wright as our next Captain, Jeremy is a Paramedic and has been fulltime at our department since 2008. We are sure he will do a great job filling Kevin's shoes!

Job well done to the recreation department for organizing another great Old Home Days event. We can only imagine how much work and organizing goes into that and how much work the DPW does to help facilitate it all. So a big thank you to those departments for putting together another successful year!!

We had again conducted interviews for our open positions. This time we did make an offer to one of the candidates who initially accepted the position. He unfortunately later declined, citing how busy Seabrook Fire is and how much time and dedication would be required of him, he didn't think he would be able to fulfill that need.

So as of today, we have the job posting back up and have four open positions to fill. We have been told it is very likely one of our firefighters will be retired on a medical disability in September leaving us five firefighters short on the floor. We will continue to work to fill these positions as quickly as we can with the most qualified and ready to go candidates that we can.

Calls for Service January 1-August 11, 2025:

Total Runs- 2,666

Truck runs- 1,353

Ambulance Runs- 1,313
