RE: **Driveway Application for Board of Selectmen Review
103 Stard Rd**

Dear Kelly,

Please see the attached Driveway application and plan for 103 Stard Rd. The applicant is looking for permit issuance. Mr. Starkey has already looked at this and does not see any issues. A picture will be included upon submitting final approval.

Is it possible that this could be reviewed on the next scheduled Selectmen's meeting which appears to be Monday October 20th?

Respectfully submitted,

David Schiappa
DPW Office Manager

As the Landowner applicant, I hereby agree to the following permit requirements:

1. To construct driveway entrance only for the bona fide purpose of securing access to my private property, such that the public highway and right-of-way is used for no purpose other than travel.
2. To construct the driveway entrance as the permitted location in accordance with the State Statutes, all provisions of the driveway permit regulations, specifications, and standards for driveway entrances issued by the Town of Seabrook.
3. To hold the Town of Seabrook and it's duly appointed and elected agents and employees harmless against any action for personal injury and/or property damage sustained by reason of the exercise of this permit.
4. To finish and install drainage structures that are necessary to maintain existing highway drainage and adequately handle increased runoff resulting from the issuance of this permit.
5. That as a condition of this permit, the driveway, culvert and other structures and materials required hereunder, are the responsibility of the property owner and that the same will be kept in good repair, at all times, and at owner's expense, and as ordered by the Town of Seabrook as the need may arise.
